(1) Medical Groups with at least 6 PCPs and accepting contracts directly from HMOs. Counties are listed when at least 6 PCPs office in the county.

(2) Many Medical Groups participated in Healthy Families, but did not record the enrollment separately from either Commerical or Medi-Cal prior to 2013. Effective Jan 1, 2013, the State mandated HF Enrollees be transitioned into Medi-Cal, therefore from 2013 forward, the HF LIne of Business no longer appears with enrollees.

(3) Combined Commercial, Medi-Cal, Medicare and Healthy Families HMO Enrollment for March each year for all Calif HMOs.

(4) California Dept of Finance estimates for January 1st of each year (available appoximately May 1st of each year); population only for counties listed.

(5) Estimated enrollment due to: DTP = Declined to Participate in the noted Annual Survey (used previous year's estimates or other sources).

(6) Physician participating count in the medical groups - - there are overlaping participations (this number does not necessarily indicate individual physicians).

(7) Overall totals and/or percentage changes are not presented due to physicians' overlaping participation in some groups.

(8) Excludes existing groups opening or closing in counties (but not closing completely out of all counties), thus "Closed" and "NewInv" may not add up to the the "YrEnd" inventory.

*DTP = Declined to participate in Annual Survey

NEW TO INVENTORY = previously existed in county, but either had less than 6 PCPs or just entered into at least one HMO contract.

OPENED "year" = new group without previous history.

2019 ANNUAL SURVEY PERIOD SEP 25 - Jan 31, 2019
