- (1) Medical Groups with at least 6 PCPs and accepting contracts directly from HMOs. Counties are listed when at least 6 PCPs office in the county. SoCal = the 12 counties of: Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara and Ventura.
- (2) Many Medical Groups participated in Healthy Families, but did not record the enrollment separately from either Commercial or Medi-Cal prior to 2013. Effective Jan 1, 2013, the State mandated HF Enrollees be transitioned into Medi-Cal, therefore from 2013 forward, the HF Line of Business no longer appears with enrollees.
- (3) Combined Commercial, Medi-Cal, Medicare and Healthy Families HMO Enrollment for March each year for all Calif HMOs.
- (4) California Dept of Finance estimates for January 1st of each year (available approximately May 1st of each year); population only for counties listed.
- (5) **Estimated enrollment due to: DTP = Declined to Participate in the noted Annual Survey (used previous year's estimates or other sources).**
- (6) Physician participating count in the medical groups - - there are overlapping participations (this number does not necessarily indicate individual physicians).
- (7) Overall totals and/or percentage changes are not presented due to physicians' overlapping participation in some groups.
- (8) Excludes existing groups opening or closing in counties (but not closing completely out of all counties), thus "Closed" and "NewInv" may not add up to the the "YrEnd" inventory.

*DTP = Declined to participate in Annual Survey

NEW TO INVENTORY = previously existed in county, but either had less than 6 PCPs or just entered into at least one HMO contract.

OPENED "year" = new group without previous history.

2015 ANNUAL SURVEY PERIOD SEP 8 - DEC 11, 2015
